NMSU and the U.S. Department of Agriculture cooperating.

Master of Science in Family and Consumer Science - HRTM Emphasis

This program allows students to select courses that explore current trends in a wide range of hotel, restaurant and tourism academic areas and research their chosen area of specialization. NMSU and our program are dedicated to diversity, inclusion and respect and welcomes students from under-represented groups, international students, and non-traditional applicants. These students bring unique views and strengthen our program and the hospitality industry.

ADMISSION PROCESS

Students must apply for admission to the New Mexico State University Graduate School and will be reviewed for eligibility by Graduate program faculty. Application requirements include a one-page letter of interest , resume, Undergraduate transcripts that includes number of credit hours and GPA, Graduate Record Examination (GRE) or Graduate Management Admission Test (GMAT), and three letters of reference.

For a full list of admission requirements and complete program details visit us at online.nmsu.edu or hrtm.nmsu.edu.
