Call for Volunteers – Annual Campus Cleanup Day

It’s time once again to prepare for a new school year and bring the entire UH community together to refresh and renew our campus. Facilities Management staff is already hard at work cleaning and repairing campus facilities. As a Cleanup Day volunteer, you too can make a difference by collecting waste and recycling, removing old flyers and stickers, and pulling weeds. **Sign up to volunteer for Cleanup Day online by Wednesday, July 30.**

Teams will compete for 1) most waste collected by weight, 2) most recyclables collected by weight and 3) most unusual item collected. All volunteers will receive a reusable bottle or you can bring your own from home. Water and other refreshments will be provided to stay hydrated throughout the morning. Collection materials, scrapers, gloves and sunscreen will also be provided. Don’t forget to wear a red t-shirt to show your Cougar pride! Email any questions to sustainability@uh.edu.

**WHO:** Anyone on campus can volunteer including staff, faculty, students and administrators. *Sponsored by the Office of Sustainability and Facilities Management.*

**WHAT:** Annual Campus Cleanup Day

**WHEN:**
- 8 to 8:30 a.m. – Kickoff and check-in.
- 8:30 to 11 a.m. – Teams receive their area assignments and disperse to begin clean up. Facilities Management staff will be on hand to help transport trash, distribute water, replenish supplies as needed and answer questions.
- 11 to 11:30 a.m. – Teams return to turn in their waste and recyclables for weigh-in.

**WHERE:** Volunteers will check in at Butler Plaza in front of the MD Anderson Library. Teams will work in assigned zones of campus. When teams complete work in their zone, they’ll gather back at Butler Plaza for the weigh-in.
