

# Help Us Learn More About Developmental Stuttering

UNIVERSITY of  
**HOUSTON**

## Volunteer for Research at the University of Houston Stuttering Research Laboratory

### WHO:

Parent(s) & their 3- to 7-year-old children with:

- Suspected stuttering OR no concern of stuttering
- No other known speech, language, or hearing problems
- No physical or mental disability

### WHAT:

- Complete Speech-Language Assessment
- Play-based conversations and fun tasks
- Parents complete a few questionnaires

### TIME IT WILL TAKE:

- 2 ½ to 3 hours in 1 visit to the University of Houston

### BENEFITS OF PARTICIPATION:

- We will tell you how your child did on our Speech-Language Assessment and provide you with a 1-page summary of the results.
- We will let you know what help your child might need and help you find it.
- We will give your child some compensation for participating.
