

Summer 2018
June 11th-July 20th
Cougar Communication Groups

Cougar Communication Groups offer speech and language therapy for pre- school and school aged children. Our progressive program focuses on providing evidence-based and innovative therapy while acting as a training program for graduate clinicians in Speech-Language Pathology.

Our program features:

- Graduate Student Clinicians
- Supervision by Certified Speech-Language Pathologists
- Frequent Communication & Feedback
- Parent Observation
- Small Ratios of 2:1 (clients to clinician)
- Groups focusing on goals for each client's needs
- Home Programs to carry over therapy progress

Our speech and language groups build specific speech and language skills in an interactive environment with children who have similar goals.

Groups meet two times weekly for 2.5 hours each session.

For Children 18 months to 4 years: 9:30 am-12 noon
Monday/Wednesday or Tuesday/Thursday

For Children 5 years to 10 years: 1 pm -3:30 pm
Monday/Wednesday or Tuesday/Thursday

Affordable tuition rates determined by a sliding scale based on household income.

Early Registration:
March 30-April 12- \$25
