I enjoyed the fact that we had some both and challenging and interactive. I enjoyed the way some people gave their points and how they gave points of view on such things as social issues, literature, and cultural/social issues of the African American.

15. What have you liked least about this course and why?

Journaling. It's an added assignment that I think could be more helpful. It could be put on a web, or if it were integrated more into group discussions.
