THE HONORS COLLEGE HONORS CREDIT PETITION

This form should be submitted to the Honors College Student Services Office in order to receive Honors credit for a course that has *not* been flagged as an "H" course in the University Peoplesoft System. (Flagged courses carry a footnote in the University's *Class Schedule* and are marked with an "H" in the *Honors Coursebook*.)

This petition must be completed and submitted within the *first three weeks of the semester*. <u>All coursework should be completed during the semester in which the course is petitioned.</u> Two weeks before the end of the semester, the Honors College will contact the instructor to verify that the course work and the special project have been completed. Please e-mail completed petitions to honorspetitions@uh.edu or drop off physical copies in the Student Services Office.

*NOTE TO THE INSTRUCTOR: If an unflagged course is listed in the Honors Coursebook, the Honors College does not *require* completion of an extra project. However, the instructor may require such a project at his or her discretion. If a course is <u>not</u> listed in the Honors Coursebook, a special project *must be proposed* by the student and approved by the instructor. In any case, this form must be completed and signed for Honors credit to be recorded on the student's academic record.
