Are you worried and stressed?

Do you have a child ages 8-12?

Is your child also anxious, shy, or worried?

Are you interested in a free psychology evaluation?

You may be eligible to participate if you:

- a) are a mother who experiences difficulty with fear, shyness, or worry
- b) have a child ages 8-12 who also experiences difficulty with fear, shyness, or worry
- c) neither you nor your child is in treatment for anxiety

Compensation: \$100 plus two age-appropriate toys
