GRADUATE COLLEGE of SOCIAL WORK

The Graduate College of Social Work faculty, staff, and students would like to thank our friends, alumni, families, businesses, charitable foundations and community organizations whose philanthropic gifts support our mission to provide exceptional education for advanced social work practice, research and leadership through teaching, advancing knowledge and community engagement to achieve social, economic and political justice.

We are grateful for all of the support we've received and continue to receive. The listing below represents donors to GCSW for the 2011-2012 fiscal year only and does not list the amazing support which we have received in previous years. Our goal is to recognize and thank all who make gifts to GCSW annually. We are very grateful for all support.

Thanks again!
