Description: The Trauma Counselor position requires an experienced and empathic trauma-informed Social Worker/Counselor, bilingual in English and Spanish, to provide individual, group, family, children's counseling, and telephonic support to adults and children who have been impacted by domestic violence. The Trauma Counselor will utilize several therapeutic techniques including, but not limited to, cognitive-behavioral therapy, solution-focused therapy, family-systems therapy, feminist therapy, and empowerment and strengths-based perspective when working with clients. For over 30 years, AVDA has served families experiencing abuse in the Houston community. Victim safety will always be paramount in therapeutic practices, and batterer and victim will not be seen concurrently. Responsibilities • Facilitation of weekly Victim Support and Domestic Violence Awareness groups, which is a psycho-educational support group, in English and Spanish, as needed • Conduct intakes/assessments for individuals seeking counseling services, and admission into the Victim Support and Domestic Violence Awareness group • Individual counseling for adults and children who have been impacted by abuse, either in their childhood or adult lives, which will consist of the counselor using specialized clinical knowledge and advanced skills to conduct an assessment, diagnosing, and treatment of mental, emotional, and behavioral conditions as related to domestic violence, as well as providing safety planning • Development and implementation of a children's counseling program that will address the dynamics and impact of domestic violence • Provide peer support and mental health guidance and training to AVDA colleagues to assist in their service to AVDA clients in our Legal Advocacy and Battering Intervention programs • Case management for clients in order to gain access to needed community resources and referrals • Documentation, which will include, progress notes and reports documenting ser

Skills: • Master's Degree in Social Work or Counseling • Fully licensed Counselor, Social Worker, or Psychologist with advanced degree from an accredited institution required • Minimum of two (2) years relevant experience counseling adults, children, and youth required • Bilingual in English and Spanish required • Knowledge of domestic violence preferred • Excellent oral and written communication skills • Proficiency with PCs, including desktop publishing, databases, word-processing, and spreadsheets • Appreciation of diversity and a sensitivity to people of varying lifestyles, ethnicity and religious groups • Dependable transportation • Ability to work flexible hours, manage stress and conflict well, and to adapt to ever-changing and challenging needs of multiple priorities and fluctuations in work load
