

Job Title	Clinician I
Employer/ Agency	UT Health's Harris County Psychiatric Center
Job Description	<p>Position Summary: Provides professional case management and clinical therapeutic services in an acute care psychiatric hospital focused on overseeing the care of patients from admissions through discharge.</p> <p>Position Key Accountabilities:</p> <ul style="list-style-type: none"> • Provides indirect services to patients. Acts as an advocate for the patient/family with the treatment team. • Provides direct services to patients including: biopsychosocial/psychosocial assessment, discharge planning, and treatment that includes: individual, group and family therapy, crisis intervention and treatment planning. • Provides oversight of patient's care, progress in treatment, and progress toward discharge in order to prevent both the over-utilization and the under-utilization of inpatient treatment services. This is accomplished through feedback to and from the patient, significant others, the treatment team, and UR and community resources. • Works with a multidisciplinary treatment team to develop an individualized treatment, and a discharge plan that enables patients to quickly return to outpatient treatment programs. • Works closely with physicians in identifying diagnoses to assist in the treatment process. • Develops a discharge plan that will support patient's ongoing recovery and development. • Assesses the psychosocial functioning of patients at admission and throughout the treatment program; conducts interviews with patients and significant others to determine assets as well as challenges to optimal patient functioning both while in the program and upon discharge to a lesser restrictive level of care. • Establishes and maintains relationships with community resources to assist patients' medical needs at discharge for on-going treatment, residence, financial support, transportation, education, and vocational rehabilitation. • Refers patients and family to community resources. • Applies for court ordered mental health services for patients unable or unwilling to consent to treatment deemed necessary to protect the life of the patient or others. • Presents to the Probate Court, both in writing and in oral testimony, reports of the specific patients behaviors prompting the request for involuntary admissions for services.

Qualifications	<p>Certification/Skills:</p> <ul style="list-style-type: none"> • Current license from the Texas Board of Social Work Examiners to practice as a Licensed Master Social Worker (LMSW) or Licensed Professional Counselor (LPC). <p>Minimum Education:</p> <ul style="list-style-type: none"> • Master’s degree in a behavioral science. <p>Minimum Experience:</p> <ul style="list-style-type: none"> • One year experience in a mental health setting. <p>Physical Requirements:</p> <ul style="list-style-type: none"> • Exerts up to 50 pounds of force occasionally and/or up to 20 pounds frequently and/or up to 10 pounds constantly to move objects. <p>Security Sensitive:</p> <ul style="list-style-type: none"> • This job class may contain positions that are security sensitive and thereby subject to the provisions of Texas Education Code § 51.215
