

Job Title	Bilingual Medical Social Worker
Employer/ Agency	Shriners Hospitals for Children - Houston
Job Description	Bilingual medical social worker will be responsible to work alongside an interdisciplinary healthcare team in coordinating a patient's care from admissions to the discharge process. The social worker's role in the case management process will be to provide medical, financial, and psychosocial resources to our patients and families. In addition, crisis intervention and psychotherapy will be provided to the patients/families as well.
Qualifications	LMSW from an accredited school of social work. Currently licensed in the state of Texas; LCSW is strongly preferred. One to three years of experience, preferably having worked with children with disabilities. Case management skills; strong theoretical background in family dynamics. Bilingual (English/Spanish) is required.
