

Field Supervisor for UT School of Dentistry

Prairie View Social Work Education Program is seeking a social worker, maybe retired, that would like to volunteer their time in assisting with supervision of an undergraduate social worker field practicum at the UT School of Dentistry.

Prairie View Social Work Education Program is attempting to begin a collaborative internship process with the school of dentistry and are presently looking for a social worker who would not mind doing work at their school.

If you are interested, please contact:

Alex D. Colvin, PhD
Asst. Professor of Social Work
Coordinator of Field Education
Prairie View A&M University
W.R. Banks Bldg., Suite 214
