Job Title:	Medical Director
Employer/ Agency:	DePelchin Children's Center
# of Job Openings	
Job Description	DePelchin Children's Center (DCC) is currently seeking a board-certified Child/Adolescent Psychiatrist for the position of Medical Director. This position has both administrative and clinical duties. As an administrator, the Medical Director will oversee/supervise clinical services and medical care provided by psychiatrists employed by DePelchin Psychiatric Services (DPS), including monitoring of healthcare compliance and medical records, coordinate scheduling of psychiatrists, develop and review policies and procedures for DPS, and support the psychiatric needs of DCC. As a clinician, the Medical Director will also provide psychiatric services, including psychiatric assessments and medication evaluation and management. In addition, this position will provide consultation with DCC staff, and modest on-call emergency phone coverage. There are opportunities for adjunct faculty appointments available through Baylor College of Medicine and/or the University of Texas Health Science Center at Houston. Compensation is competitive for an opportunity to join an organization with a wonderful mission.
Qualifications	 EDUCATION: Medical Degree required from an accredited medical school. CERTIFICATION: Minimum of 10 years of progressively responsible leadership roles in healthcare. Board Certified Child Psychiatrist eligible for licensure to practice
	 medicine in the state of Texas. Certification by the American Board of Psychiatry and Neurology in Adult and Child and Adolescent Psychiatry.
