

Job Title	Project Director
Employer/ Agency	The Hope and Healing Center & Institute (HHCI)
Job Description	<p>The Hope and Healing Center & Institute is seeking a Project Director to lead the implementation of our Faith Community Mental Health Training Project. The Project Director will be responsible for identifying and connecting with faith communities in low income areas of Houston, training clergy and staff, and supporting mental health referrals made through those faith communities.</p> <p>The position requires a self-starter, someone with the ability to work independently as the Project Director will be out of the office and visiting faith communities the majority of the time. We are looking for an organized person with limited need for direction.</p>
Qualifications	Applicants for the position must have a master's degree in psychology, counseling or social work and at least one year of experience in a clinical setting. The position requires work on the weekends and/or evenings. Proficiency in Spanish is preferred but not necessary.
