

Job Title:	Adolescent and Family Therapist
Employer/ Agency	Fulshear Treatment to Transition
Job Description	<p>Looking for a company where you can make a difference? Adolescent and Family Therapist, Fulshear Treatment to Transition</p> <ul style="list-style-type: none"> • Fulshear is a treatment to transition program for women in their late teens and early twenties (18-24.) The mission of the program is to launch healthy, strong, influential women. The Ranch at Fulshear is poised upon 34 acres of peaceful countryside just south of Houston, Texas. This setting is the ideal location for intensive healing as it evokes emotional safety and change. Our Ranch serves as a necessary step for lasting independent living. Here young women will build life skills by learning more ways to overcome the struggles that continue to inhibit them from having the life they want. • As a young woman progresses in their journey at Fulshear, she will have the opportunity to live independently in apartments located in Stafford, Texas which is located minutes just outside of Houston. While in these apartments, she will continue to receive support while simultaneously being employed, doing volunteer work, or continuing an education. Young women will live with roommates and take on the responsibilities of shopping, cooking, and paying bills but support will never be far away as therapists will work with each young woman through individualized support program so that they can be successful on their journey towards true independence. • Fulshear Treatment to Transition combines the peaceful countryside setting with the transition to community living for a full journey toward independence. This program is part the family of programs that are a part of Innerchange which is a nationally recognized clinical leader in trust-based residential therapy and is committed to the highest standards in clinical outcomes. InnerChange has a portfolio of services to heal more families across the country with locations in Texas, North Carolina, Utah, California, Montana and others. • As an Adolescent and Family Therapist, you will be united with an experienced Executive Director, Clinical Director, Administrative Team, and Residential Staff focused on the mission to facilitate lasting positive change for young people and their families.
Qualifications	<p>What do you bring to this position?</p> <ul style="list-style-type: none"> • Master's Degree in Behavioral Sciences - Master of Social Work (MSW,) Master of Clinical Social Work (CSW,) or Master of Science Clinical Mental Counseling (CMHC) or a related discipline. • Licensed in the state of Texas - Licensed Clinical Social Worker (LCSW) or Licensed Marriage and Family Therapist (LMFT.) • Two years of working experience as a licensed therapist with training in DBT and EMDR or at least one of these areas.

	<ul style="list-style-type: none"> • One year of experience in a residential setting using relational, experiential, and systemic modalities. • Ability to plan, implement, and adjust a course of treatment as required. • Ability to pass a Texas state background check.
