| Job Title | Clinical Fellowship Opportunity |
| Employer/ Agency | Clinical Scholars – A Robert Wood Johnson Foundation Program |
| Job Description | <p>The Clinical Scholars Program is a funded three-year national leadership fellowship for clinically active health providers from a broad range of disciplines. Selected Clinical Scholars Fellows work in teams and receive program funds and leadership training to improve health outcomes in their home communities.</p> <p>Our fellows include audiologists, clinical counselors, dentists, dietitians, nurses, occupational therapists, pharmacists, physical therapists, physicians, physician assistants, psychologists, social workers, speech therapists, veterinarians and others seeking to build stronger, healthier, more equitable communities through work in their chosen profession.</p> <p>The program includes intensive learning, mentoring and networking that will develop fellows into leaders of transformational change. Working in collaboration throughout the three-year program, they will take these important skills and apply them in their jobs and through a project in their community that directly addresses the root causes of inequity in health.</p> <p>Alumni from this program will carry the unique distinction of being a graduate of a Robert Wood Johnson Foundation leadership program and become a part of a tightly knit network of visionary change agents across sectors and disciplines.</p> |
| Qualifications | <p>Applicants must have:</p> <ul style="list-style-type: none">• Received a clinical license in their chosen health profession (one member of the team must possess a terminal degree in his or her chosen profession).• Completed all required clinical training five years before entering the program.• Gained substantial community-focused research or program experience. |
