

<b>Job Title</b>	Therapist
<b>Employer/ Agency</b>	Lifeway International Houston, LLC
<b>Job Description</b>	Lifeway International is a recovery based organization that treats substance abuse issues with adolescents and young adults. We are committed to the continuum of care approach and offer both APG support and clinical services, such as PHP/IOP programs. The primary role of the therapist will be to perform assessments to determine level of care, facilitate groups and enter appropriate documentation. The ideal candidate will be experienced in working with clients and families to develop goals and treatment plans, as well as, conducting individual and family therapy sessions.
<b>Qualifications</b>	Masters Level (LMSW, LCSW, LPC, LMFT). Career interest in developing/furthering clinical knowledge with 2 years of substance abuse experience and a working knowledge of the 12 step model. Previous experience working with adolescents, adults and their families. Must pass pre-employment background check and drug screen. Excellent verbal, non-verbal and written communication skills. Be self-motivating and willingness to participate in the interdisciplinary team approach to treatment.
<b>Salary/Hours</b>	DOE. Varied hours available.
