

Job Title	Medical Social Worker Posting #261805SV
Employer/ Agency	Baylor College of Medicine
Job Description	<p>Step into an opportunity to share our commitment and compassion providing quality health care for adolescent/young adults with chronic conditions of childhood. A case management position has opened at Baylor College of Medicine -Texas Children's Hospital Transition Medicine Clinic (TMC). The clinic is devoted to caring for adolescents and young adult patients transitioning to adult healthcare who have significant disabilities or chronic illnesses with many of the patients having an intellectual disability. We are looking for an experienced case worker or case manager who is willing to work with the other social workers in the clinic to find the best care and resources for our patients.</p> <p>About Our Clinic: The TMC provides a medical home to our patients while providing expertise in identifying and treating disease-specific symptoms and conditions. The TMC is uniquely equipped to care for older adolescents and adults with chronic conditions of childhood. Our population consists of patients with Down syndrome, Spina Bifida, Cerebral Palsy, genetic disorders, congenital heart diseases and autism.</p> <p>Our clinic seeks to support the whole family as they navigate new systems of care and who face unanticipated challenges making the transition to adult healthcare.</p>
