Job Title	Clinic Social Worker I
Employer/ Agency	Legacy Community Health
Job Description	The Clinic Social Worker I provides a wide range of psychosocial services to patients referred by Legacy providers, including but not limited to: case management, linkages to care, patient advocacy, and psychological and social support • Identify and screen individuals whom have been referred for social
	 service needs, including patients from all Legacy service lines. Assess each client's medical and psychosocial history and current service needs.
	 Provide information, referrals and assistance with linkage to medical, psychosocial, and basic needs services as needed.
	 Advocate on behalf of clients to decrease service gaps and remove barriers to services.
	Monitor the efficacy and quality of services through periodic re- evaluation with peers and supervisor. PMPG 1: 1
	 Document service provided in EHRS client record within 72 hours. Participates in Legacy's Performance Improvement and Quality Assurance Program.
	 Attend training by DSHS to become certified under Medicaid's Case Management for Children and Pregnant Women Program (licensed staff). Follow program standards and protocols, including completing Comprehensive Assessments and Service Plans with approved patients. Maintain paperwork and documentation necessary for program standards. Attending coalition meetings as needed.
	If Clinic Social Worker is seeking Clinical Supervision additional duties will be as follows:
	 Maintain a direct patient care caseload within the Behavioral Health department, which will include the assessment, diagnosis, and treatment of clients with clinical needs.
	 Meet with LCSW Supervisor on-site for Clinical Supervision sessions as per the Texas State Board of Social Work Examiners requirements.
	 Demonstrates respect and regard for the dignity of all patients, families, visitors and fellow employees to insure a professional, responsible and courteous environment.
	 Promotes effective working relations and works effectively as part of a team to facilitate the department's ability to meet its goals and objectives. Attend required training and ongoing education offered by the agency. Including but not limited to safety trainings and education sessions on Universal Precautions.
	 Must be able to travel between locations as needed. Maintains work area and equipment in condition required by Legacy standards.
	 Works within the context of a primary care medical home, applying a

team based approach to care while working in partnership with patients/families to promote: timely access to care, understanding of patient care that is culturally sensitive and language appropriate, continuity of care, and the improvement of the whole-person through the teaching of appropriate self-management skills.
