

Job Title:	Staff Clinician III
Employer/ Agency:	DePelchin Children's Center
Job Description	The Staff Clinician III position is responsible for providing clinical services to clients in an integrated medical setting. This position works collaboratively with fellow staff and referral sources. Staff will be required to work at least two evenings a week and an occasional Saturday according to client need. This position will work effectively within a one-on-one relationship with a client, as well as with larger groups, such as families, client groups, and staff work groups. This position will work as part of an interdisciplinary team including doctors, nurses and other medical staff.
Qualifications	LPC, LMFT, LCSW - licensed to practice independently in Texas. Master's degree in social work, counseling, psychology, marriage and family therapy or related field. Minimum of three (3) years experience providing assessments and treatment of children, adolescents and families. Ability to manage time and work demands well, balancing the needs of clients, staff, and organization. Ability to communicate effectively, verbally and in writing. Ability to deal with problems of moderate complexity that require an above average level of problem-solving ability.
