

Job Title	Assistant Teaching Professor and Associate Director who specializes in Wellbeing Education
Employer/ Agency	Rice University: Dean of Undergraduates: Center for Teaching Excellence
Job Description	The Center for Teaching Excellence (CTE) at Rice University in Houston, Texas invites applications for an Assistant Teaching Professor and Associate Director who specializes in Wellbeing Education. This is a full-time, benefits-eligible, non-tenure track faculty position with a dedicated administrative component. Applicants with teaching expertise in any discipline will be considered, but a background in positive psychology or previous experience in mental-health education at the college level is strongly preferred. The successful candidates will have demonstrated capability to (i) teach engaging undergraduate and graduate courses that incorporate evidence-based practices and innovative teaching methods (ii) develop faculty and graduate student programming to support outstanding teaching, (iii) enrich and engage in a collegial center environment, (iv) promote instruction and practices to enhance student wellbeing and positive mental health; and (v) promote diversity, equity and inclusion.
Qualifications	Applicants must hold a Ph.D. degree or equivalent in their field and should be conferred before January 1, 2024. Applicants must also have experience teaching undergraduate and/or graduate courses in addition to professional experience consistent with the position rank. A background in positive psychology or experience in mental-health education at the college level is preferred.
Salary/Hours	This is a full-time, benefits-eligible, non-tenure track faculty position with a dedicated administrative component.
