

2013 Annual Geriatric Interdisciplinary Student Competition

Working Together to Care for Elders with Dementia and their Families

Registration:
Nov 1, 2012 — Jan 22, 2013

Orientation:
Jan 28, 2013
Monday
5:30 — 8:00 pm

Competition:
April 22, 2013
Monday
5:30 — 8:00 pm

Students will work with an interdisciplinary team to assess and analyze the needs of community-dwelling elders diagnosed with Alzheimer's Dementia and their families. The competition will emphasize community needs assessment and feasibility of establishing "Memory Café" programs in the selected neighborhoods. To help prepare students for this competition, students will receive:

- ◆ Access to experts
- ◆ Interdisciplinary team training
- ◆ Experience with community elders with Alzheimer's disease
- ◆ Practical knowledge of Alzheimer's disease at different levels of care
- ◆ Materials on needs of the Community and Elders
- ◆ Training and materials on conducting needs assessment within community

The experience will require a minimum of 24 hours of commitment over 3 months time.

All students will receive a certificate of participation, and a medalion with a ribbon in their school colors to wear at graduation.

Students may also register for independent study credit with a faculty member from their discipline.

The HGEC Team Competition will involve students who are in the last years of their undergraduate or in graduate programs. Students are invited to participate from:

UTHealth Schools of Medicine, Nursing, Dentistry, Dental Hygiene, Biomedical Sciences, Biomedical Informatics, and Public Health

University of Houston Colleges of Pharmacy, Social Work, Optometry and Law, and Department of Communication Science & Disorders

Texas Woman's University Schools of Physical Therapy and Occupational Therapy

American College of Acupuncture & Oriental Medicine

2013 H-GEC INTERDISCIPLINARY TEAM COMPETITION-PARTICIPANT FORM

Name: _____

Please indicate University.

- UTHealth SCHOOL OF DENTISTRY

AMERICAN COLLEGE OF ACUPUNCTURE AND ORIENTAL MEDICINE

Undergraduate Masters Doctorate

Degree program _____

Mailing address: _____

E-mail: _____

Phone: _____ (Work) _____ (Home) (Cell) _____

Approximate Time Commitment:

The experience will require a minimum of 24 hours of commitment over 3 months time and is available for certificate only (at no cost) or for independent study credit*. The team competition will involve work with an interdisciplinary team to analyze the needs of community-dwelling elders and make appropriate recommendations regarding community service uses. To help prepare students for this competition, students will receive:

- Practical knowledge of Houston community centers
Interdisciplinary team training
Materials on community and elder assessment
Access to experts
Experience with elders and providers

Orientation: Monday, January 28, 2013, 5:30 - 8:00 PM, School of Dentistry, Cooley Center

Participants are introduced to other team members and receive the case and supplemental materials. Additional instructions will be provided for the Competition.

Competition: Monday, April 22, 2013, 5:30 - 8:00 PM, School of Dentistry, Cooley Center

Teams present their conclusions related to the project before a live audience, receive final scores from the judges and the winning team is announced. A reception honoring the participants will follow the competition.

I plan to take the course for Credit* or Certificate

*if taking the course for credit, please see attached form for faculty contact information

By signing this form, I acknowledge my intent to participate as a team member and attest that I understand and agree to the time commitment required.
