Student	\$345	Faculty/Staff Reserved	\$875
RHE	\$540	Reserved Covered	\$1180
Student Garage	\$560		

## Lot Reallocation

Lots 4A, 8A, and 9C will become **student** (formerly economy lots)

Lots 21B and 9B will become **faculty/staff** (formerly student lots)

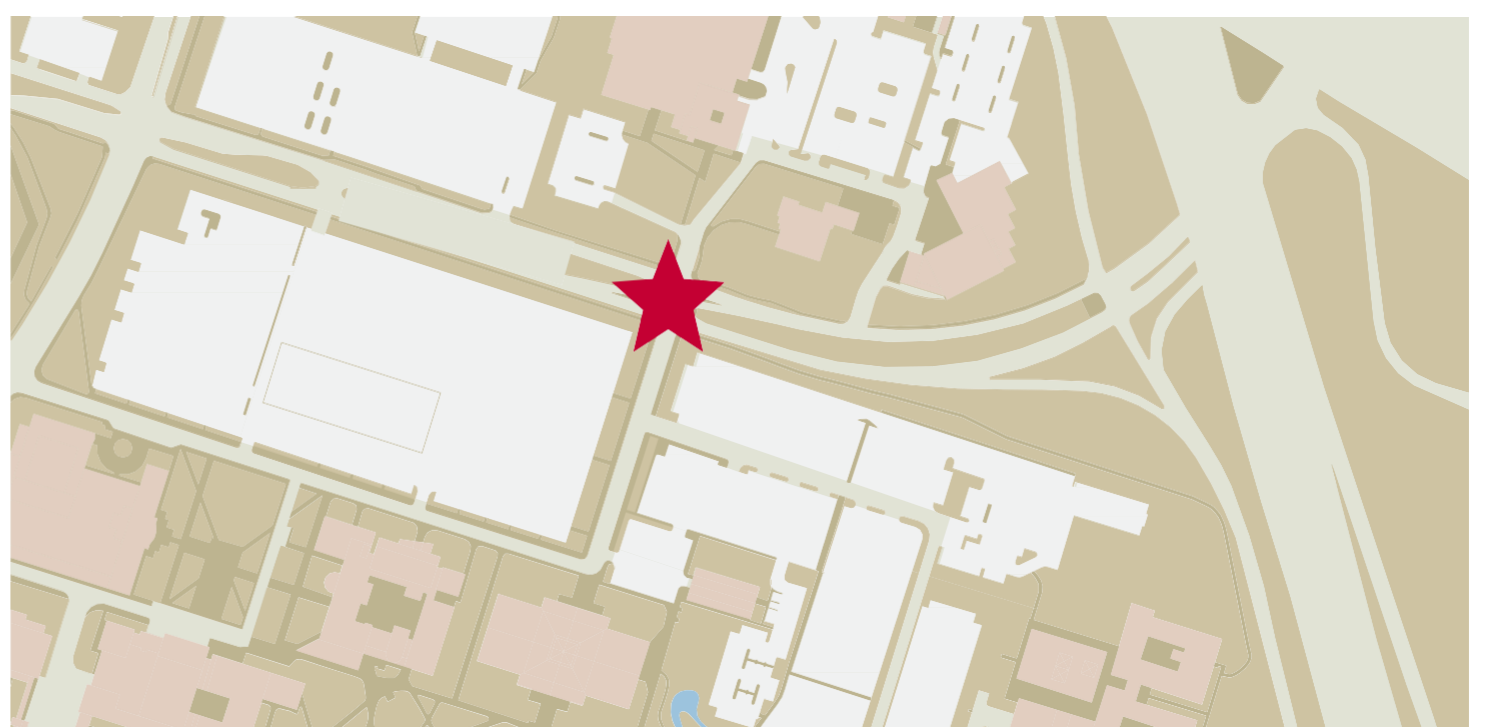

Why?

Faculty/staff permit holders are *currently permitted* to park in student lots. They will now be restricted to faculty/staff lots only so they are receiving two more lots. Student permit holders lose access to 2 lots, but *increase access* in 11 other lots. These changes will allow for better management of each permit's oversell rate.

## Shuttle Service Added to North Campus

The PGH/ERP route will add a stop at Entrance 17/18, providing convenient access to the General Services Building (Printing and Postal Services), the College of Architecture, Fine Arts, and other north campus locations.
