Press Release

FOR IMMEDIATE RELEASE

Security Kiosks are Up and Ready

The security kiosks are up and ready for the fall semester. The University of Houston Department of Public Safety with the assistance of Facilities Planning and Construction have successfully installed three security kiosks on campus to parking lots 12A, 9C and 4A.

In 2009, Chancellor/President Renu Khator, created the Blue Ribbon Task Force on Safety and Security. As a result of the Blue Ribbon Task Force on Safety and Security, recommendations were made to improve perceptions of campus safety and increase visibility. One of these recommendations requested security kiosks in specific parking lots around campus.

The security kiosks will be manned with a University of Houston Department of Public Safety Security Officer during high traffic, evening and early nighttime hours. Not only will the Security Officers be watching the parking areas for suspicious activity, but they will also continue to maintain a safe environment for the campus community.

About the University of Houston

The University of Houston is a comprehensive national research institution serving the globally competitive Houston and Gulf Coast Region by providing world-class faculty, experiential learning and strategic industry partnerships. UH serves more than 38,500 students in the nation's fourth-largest city, located in the most ethnically and culturally diverse region of the country.
