Agenda

June 3, 2016

- 1) Announcement from the May 2016 Board Meeting
- 2) Presentation of UH System Master Plans – University of Houston College of Architecture Dean Patricia Oliver
- 3) Facilitated discussion by Mike Guidry and Dean Oliver
 - a. Begin the discussion of how to best integrate Collection artworks with the master plan goals.
 - b. Consider the collection holistically and discuss components of a curatorial vision that can become the philosophy for the collection that comports with master plans.
 - c. Consideration artworks to be re-located.
 - d. Identification of collection signature pieces to highlight and re-introduce to the community.
 - i. Plans to showcase these pieces with hardscape, landscape, lighting, placement, and conservation.
- 4) Next Meeting Date and Next Steps
