17:26:54 From Sarah Holloway : www.uhcoadconnexion.com

17:27:01 From Katherine Polkinghorne : Have to run to a work meeting, but thank you so much for putting this together! Looking forward to rewatching tomorrow, and to further conversations between alumni and students.

17:29:34 From Javier Guerrero : Is there a video on how we can sign up for uhcoad connexion?

17:37:16 From Brea : I got on a few minutes late. Has diversity of Faculty and Staff been covered?

17:38:46 From Matthew Mitchell : Hi Brea, that topic has not been covered.

17:41:23 From Sergio Aleman : I may be old but what about simple phone calls?

17:42:35 From Andrea Novoa : was that by accident?

17:47:36 From Andrea Novoa : INSTAGRAM

17:47:38 From Andrea Novoa : lol

17:48:56 From Andrea Novoa : IG TV live

17:49:02 From Andrea Novoa : live session

17:50:15 From Andrea Novoa : that would be cool

17:59:38 From Mike Grote : @Drake I second that!

18:01:17 From Maria Martinez : I remember students coming to tour the university in general but it would be nice to have some of them come to the school and have that student and alumni exposure. Friends in the engineering pathways also host tons of kids for a day of learning about the career and small age appropriate experiences. Firms are able to sponsor meals and shirts and are able to come and send their alumni to talk about the pathway.

18:05:54 From Andrea Novoa : to follow up on Brea's question and Drake -- how much pull do alumni really have in diversifying or lobbying for diverse faculty?

18:14:29 From Andrea Novoa : absolutely

18:14:43 From Mike Grote : +++++

18:14:52 From Andrea Novoa : yea there's not authority -- but can we change that

18:24:28 From Carrah : Agree Mike!!

18:26:31 From Andrea Novoa : that's why we're here

18:57:10 From Laura Vargas : please do!

18:58:48 From Jolene Limqueco : Here's better context, sorry: The Coalition for Anti Racist Education (CARE) has made a survey to assess when people are most available for a series of participatory dialogues covering topics discussed in the open letter. We are envisioning both a week day night and weekend morning every week. The topic for both these meetings will be the same, to ensure that as many people as possible can attend and discuss. Attending the weekly dialogues is a great way to incorporate anti-racism into your life in a lasting way, and to contribute to making the CoAD community a more equitable environment.
