Alfred Cervantes

Deputy Director of the Houston Film Commission and a native Houstonian, has worked in various capacities in film for the past 18 years. As a freelancer he worked on **Reality Bites**, **The Chase**, **Jason's Lyric**, **Apollo 13**, and **Powder**. His duty with the film commission is to promote the greater Houston area to film producers, production executives and independent filmmakers, to scout locations and facilitate any production's local filming experience. Some of the projects he has assisted or scouted for are **Arlington Road**, **Friday Night Lights**, **Tree Of Life** and numerous independent films.
