

# RELS 3330

# CHRISTIANITY

This online course offers an introduction to the history and contemporary situation of Christianity. It allows students to develop the methods necessary for understanding Christian theological debates, for interpreting Christian art, architecture, and music, and for distinguishing major denominations such as Catholic, Orthodox, and Protestant Christianity.

**Online Asynchronous**  
**Fall Term 2024**

**Dr. Chris Eberhart, Prof. of Rel. Studies**
