

Language Learning Group (LLG) at USLHC

- Enrolls preschool children with mild to moderate speech and language delays
- Develops and implements individual goals and therapy plans based on assessments
- Utilizes verbal, visual, gestural, and tactile assistance to facilitate language communication
- Incorporates daily language-based activities including singing, rhyming, reading, cooking, storytelling, circle time, dancing, coloring, dramatic play, and more

LLG meets Tuesdays and Thursdays
09:00am-11:00am
during the Fall and Spring terms

- Therapy is provided by graduate clinicians under the direct supervision of a certified and licensed speech-language pathologist
- Parent education is provided through weekly updates and consultation with graduate clinicians and the speech-language pathologist

The Benefits of Language Learning Group

- Fosters speech and language skills in a nurturing environment
- Cultivates social interactions with other preschoolers
- Encourages a positive sense of self
