

AMERICAN ENERGY IMPERILED COAST

Oil and Gas Development
in Louisiana's Wetlands

JASON P. THERIOT

UNIVERSITY of HOUSTON

CPH Lecture
Series

UNIVERSITY of
HOUSTON

CENTER for PUBLIC HISTORY

Dr. Jason Theriot Presents: “Consulting, Entrepreneurship, and Policy for Public Historians”

When: Monday, April 16th 4:00 – 5:30pm

Where: TBD

Dr. Jason Theriot is an energy and environmental historian and consultant and a former Energy Policy Fellow at Harvard University’s Kennedy School of Government. He earned a doctorate in history from the University of Houston and a degree in journalism from Louisiana State University.

His research work focuses primarily on the historical dynamics of oil and gas development, environmental policies, and restoration activities in the Gulf Coast.

Dr. Theriot is the author of numerous publications on these topics, including the recently published *American Energy, Imperiled Coast: Oil and Gas Development in Louisiana’s Wetlands* (LSU Press, 2014).
