CADET OF THE MONTH

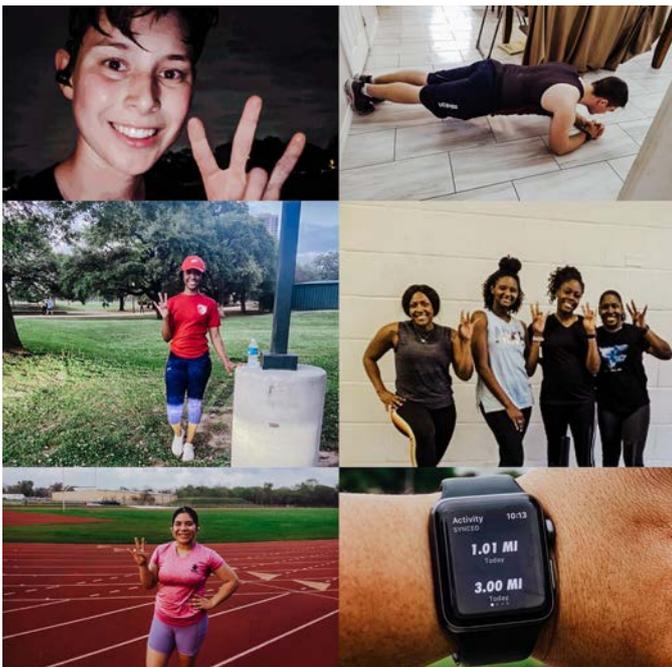

NATIONAL WOMEN'S MONTH

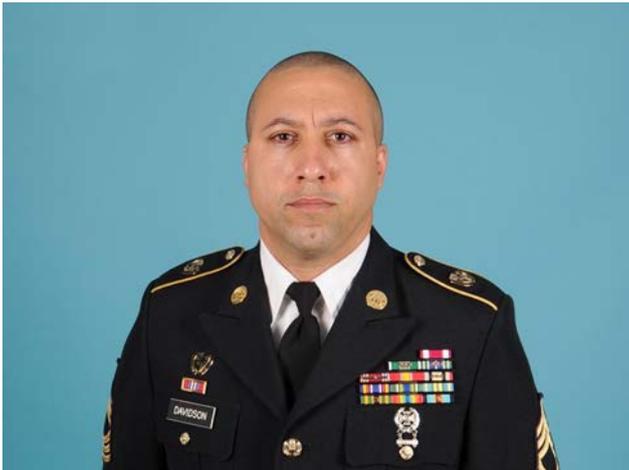

RUN AS ONE

A lot has happened since the Coronavirus (COVID-19) pandemic infiltrated our nation and world. For the safety of Cadets and Cadre members, universities have continued education remotely. Like many cities, Houston and surrounding areas have been under a Stay-at-Home order while practicing social distancing.

During this time, the Cadets have adapted to the sudden change and implemented workouts to sustain their physical fitness. Although they are apart, it does not stop them from motivating one another and assuring that they all stay in high spirits during these complex times.

CADRE CORNER

This program has made tremendous progress since January and all of you should be very proud of your performance thus far. Junior classmen are gaining excellent knowledge, experience, and leadership development because of good tough training planned by our Seniors. Continue to push hard and finish the semester strong. Understand that the world we live in is changing and as future leaders in the United States Army you must always remain flexible and adapt to those changes. This won't be easy, but I challenge all of you to take this time to reflect on what you need to do to for future success, always remember the Army Values and ask yourself what are you doing on a daily basis to ensure you adhere to them the best you can. No one is perfect, but if you do not have a plan for success, then you are planning to fail. Reach out to your mentor's for additional guidance, they have been in your shoes before you and know what is expected to be successful at Advance Camp. Finally, for the Seniors as you prepare for your transition from ROTC to commissioned service, be sure to consider the total Soldier concept by continuously developing in all aspects whether physically, mentally, emotionally, or spiritually. You will continue to be challenged to balance your academic, military, and personal lives and will be expected to perform well in each area. To all Cadets, keep up the great work and finish strong!
