

# Wondering About Graduate Study in Psychology?

Join us for

## ***“Stepping into Graduate School in Psychology”***

Diversifying the pool of scholars and professionals in psychology has important benefits for science, practice, and policy.

***Stepping into Graduate School in Psychology*** is a departmental informational event aimed at advancing the field by introducing a new, diverse generation of students to the range of opportunities for graduate study in psychology.

All students with a curiosity about or interest in applying to graduate school are welcome.

You will learn about various degrees and career paths in the field, how to develop a competitive application, available financial support and scholarships, and more!

**Friday, March 22, 2019, 1-4 PM**  
**Skyline Room, Student Center South**
