Department FY17 Goals

CLC will compete for federal funding through the CCAMPIS grant application for FY18-FY21 to support student parents with child care tuition assistance.

CLC will identify important concepts and skills as well as effective methods for fostering children's and UH student learning and development.

CLC will create a welcoming and accessible setting for children, families, and staff with well-organized, equipped, and maintained environments fostering the learning, health, and safety of those who use the program.

CLC will select and implement instructional approaches that help all children succeed taking into consideration children's different backgrounds, interests, experiences, learning styles, needs and capacities.

CLC will report measurable outcomes and data to demonstrate continued contribution to children's learning and UH student success.

CLC will operationalize best practices to leverage resources in optimizing the seamless delivery of programs and services.
