December, 2012

Dear Graduate:

Congratulations on one of the happiest, most memorable, and most important days of your life – the day of your graduation!

The University of Houston – celebrating our 85th anniversary this year – is a very special place. It is the place that welcomed you, helped you grow intellectually, and encouraged you on your journey. It is the place that, thanks to our incredible diversity, has provided you with the life experiences to work, feel at home, and succeed anywhere in the world.

You are graduating at a time of great triumphs for UH, from the Tier One designation by the Carnegie Foundation a year ago, to our inclusion by The Princeton Review on its list of best colleges in the nation, to admission into the Big East Conference, to being ranked by U.S. News and World Report for the first time in our history.

Several factors contributed to your success. The support of your parents and families, and the encouragement of your faculty, advisors, and staff played a significant part. But the most important factor is you. The motivation, determination, and drive that brought you to this day, will continue to serve you as you make your mark on your community and the world.

As you leave here today – proud alumnus or alumna – know that you are a member of the best prepared, best educated, and best equipped class the University of Houston has ever produced.

With my best wishes for a successful career and a bright future,

\[Renu Khator\]

THE UNIVERSITY OF HOUSTON

The University of Houston's proud heritage dates back to its founding in 1927. In the beginning, UH was known as Houston Junior College. Classes for the first 230 students were held at San Jacinto High School and were taught by a faculty of eight. Over the years, the junior college grew and prospered, officially becoming the University of Houston in 1934. Two years later, the institution acquired land for a permanent campus and its first building, the Roy G. Cullen Building, opened in 1939. The university became a state institution in 1963.

Today, the University of Houston is a Carnegie-designated Tier One public research university, serving nearly 40,600 students with more than 300 undergraduate and graduate programs. UH stands at the forefront of education, research and service with more than 40 research centers and institutes and sponsors more than 300 partnerships with corporate, civic and governmental agencies. UH public service and community activities, such as cultural offerings, clinical services, policy studies and small-business initiatives, serve a diverse metropolitan population. Likewise, the resources of the Gulf Coast Region complement and enrich the university's academic programs, providing students with professional expertise, practical experience and career opportunities. UH has awarded more than 268,000 degrees, and approximately 80 percent of our alumni remain in the Houston area.

THE UNIVERSITY OF HOUSTON SYSTEM

Throughout the 1960s and 1970s, teaching centers offering University of Houston degrees and classes opened in Clear Lake, downtown Houston and Victoria. Over time, these teaching centers became free-standing universities, offering education and opportunity to their communities. The University of Houston System was legally established in 1977. Today, the UH System is the region's largest provider of comprehensive university services from the baccalaureate to the doctorate. The UH System plays a primary role in meeting the higher education needs of the Houston metropolitan area and Texas. It is comprised of four universities and five teaching centers. The accredited universities in the UH System are: University of Houston, UH-Downtown, UH-Clear Lake and UH-Victoria. The teaching centers are UH at Sugar Land, UHS at Cinco Ranch, UHS Northwest, UHD Northwest, UHCL-Pearland and the Texas Medical Center.
**ACADEMIC REGALIA**

Academic costumes of today have a history of nearly eight centuries. In medieval Europe, all townspeople wore long flowing robes and gowns. The materials and colors were governed by royal decree. Gradually, distinctive gowns were developed for the various professions, trades and guilds. Scholars wore robes and hoods to protect their shaved heads. Later, skullcaps were worn on the head and the hoods became a cape that could be pulled over the head during unpleasant weather. As additional universities were founded, distinctive forms of the gown and hood were adapted by their faculties for bachelors (apprentices of the arts), masters (teachers) and doctors (teachers who had completed postgraduate studies). When caps and hats came into fashion in the 15th century, the hoods became ornamental, draped over the shoulders and down the back. The academic hat was first worn as a symbol of the master’s degree and existed in various forms. The mortarboard style comes to us from Oxford University. When academic costumes came to America in 1754, styles were quite varied. In Europe, they still are; however, in our country, usage has been standardized by the Intercollegiate Code of Academic Costume.

THE SEAL

Throughout history, seals have been used to authenticate official documents. The University of Houston’s and UH System’s seals both bear the Official Seal of Arms of General Sam Houston, as handed down to him from his noble ancestors. It includes the escutcheon in the center of the seal – consisting of checkered chevrons denoting nobility and three martlets, gentle lowland birds that symbolize peace and deliverance. A winged hourglass is placed above the shield. Surmounting this is the motto “In Tempore,” meaning “In Time.” The greyhounds indicate speed of giving aid. The UH seal was first adopted in 1938 as the present campus was established. Although the look of the seal has evolved over the years, the first version was etched into the floor of the Roy G. Cullen Building.

UNIVERSITY MACE

The Mace, which is carried in academic processions, is a staff symbolizing the university’s authority and unity. The tradition of the academic mace began in the late 14th century when two ancient instruments, the royal scepter and the battle mace, were combined to form a university president’s symbol of authority. In the University of Houston’s commencement ceremonies, the Commencement Grand Marshal carries the Mace during the Processional and Recessional as a ceremonial honor.

THE ALMA MATER

All hail to thee,
Our Houston University.
Our hearts fill with gladness
When we think of thee.
We’ll always adore thee
Dear old varsity.
And to thy memory cherished,
True we’ll ever be.

Words and music by Harmony Class of 1942
Academic honors are based on the requirements of the catalogue year students entered the university. The final designation for honors is determined by the Provost’s Office upon final completion of all degree requirements.

**Pre-Fall 2010 Catalogue**

THE HONORS COLLEGE

The Honors College at the University of Houston offers students special opportunities to develop their academic abilities. Students who complete the Honors College curriculum (36 hours) and complete a senior honors thesis graduate with University Honors with Honors in Major, the highest distinction that an undergraduate can earn at the University of Houston. Students who complete the Honors College curriculum and elect not to complete a senior honors thesis graduate with University Honors.

Students graduate with Collegiate Honors either by fulfilling the requirements for the honors program in the college of their major, including 21 hours of honors courses; or by completing an Honors College minor; or by completing 21 hours of approved honors courses. If students also complete a senior honors thesis, they graduate with Collegiate Honors with Honors in Major.

Students who affiliate with the Honors College during their undergraduate years and complete fewer than 21 hours of honors courses graduate with Membership in the Honors College. If students also complete a senior honors thesis and fulfill the requirements of their major with distinction, they graduate with Membership in the Honors College with Honors in Major.

December 2012

Dear University of Houston Graduate,

You have succeeded and your mission has been accomplished! Let me start by extending well-deserved congratulations to you, your family and friends who supported you during your time at UH. From this place and time, you will follow the path of more than 220,000 alumni who have walked before you as you pursue new professional and personal goals. In everything you do, in all that you will undoubtedly accomplish, your pride is shared by the entire UH alumni family.

On behalf of the Board of Directors of the University of Houston Alumni Association, I encourage you to become a member of the alumni association. The cost is only $20. That’s a special discounted rate reserved only for new graduates, but we are offering a further discounted rate of $10 for a limited time. To join, visit www.HoustonAlumni.com.

Joining, however, is only the first step. We need alumni who are active, we need alumni who are involved, and we need alumni who take advantage of their many membership benefits: show up to one of our networking events and maybe find a new job or a new client; stop by the alumni tailgate before football games to enjoy free food and drink; submit a class note for publication in the UH Alumni Magazine; or use your membership card to purchase discounted tickets to events at the Moores School of Music. Also, as a new grad, you are entitled to short-term medical insurance discounts. We make it easy for you to be an active Cougar.

As a UHAA member, not only will you receive the many membership perks, but you’ll also help put dollars back into the university – dollars to fund scholarships, dollars to hire exceptional faculty, and dollars to upgrade the image and face of our institution.

Allow me to leave you with this parting advice: keep your Cougar connection strong! Whether your destiny takes you around the corner or around the world, always remember that you’re a Cougar, and always show it. UHAA membership is one of the best ways to do that, and we promise to make you as proud of your alma mater as we are proud of you.

With Best Wishes,

John Clarke (’82)
Chair, Board of Directors
University of Houston Alumni Association
