Message from the President

December 17, 2021

Dear University of Houston Graduates,

Congratulations! The moment you’ve long dreamed of today becomes a reality. Today, you become a college graduate. The long hours, late nights and countless sacrifices have all been worth it. Your hard work has prepared you for a rewarding and successful career.

You are a class of graduates that didn’t allow a global pandemic to stop you from achieving your goals. Staying the course during these trying times is a testament to your resilience and tenacity. I have no doubt these same attributes will serve you well as you make your mark in the world. You leave here today educated, equipped and prepared to succeed.

The support of your parents, families and friends, and the encouragement of your UH faculty, advisers and staff have also played a significant part in your success. Remember to thank them for their contribution.

You’ve received a first-class education here at UH. This is the home of “genius grant” winners, nationally top-ranked academic programs, world-renowned faculty, an NCAA Final Four basketball team, Carnegie-designated Tier One research and so much more. Now, go forward as proud graduates and take the world by storm. I know in my heart that you are now ready and able to be the leaders that our society needs. You are the future we have been waiting for.

With my best wishes for a bright and rewarding tomorrow, Go Coogs!

Warmest regards,

Renu Khator
President
Message from the Provost

Congratulations, Cougars!

I would like to personally congratulate each of you on this momentous achievement. You have worked hard to be here today, and that effort shows.

Your family, friends, mentors and peers have supported you and helped you to arrive at this great time in your life. So, I thank them, as I am sure you also do, for all they have contributed.

I would like to remind each of you to be proud of your time at the University of Houston. You graduate today as future intellectual leaders, researchers, entrepreneurs, healers and artists. Do not forget that you are bound together by your alma mater, and that bond is a strong one. Many of your predecessors have gone on to achieve great success in their professional lives. I wish the same for you.

Whether you are receiving your bachelor’s, master’s, professional or doctoral degree, you have achieved a major milestone in your life. We are proud of you, and we are proud you are now Tier One University of Houston alumni.

On behalf of all the University faculty and college deans, I congratulate you on your achievements. You are our best and brightest, and we are honored to have been a part of your lives.

Warm regards,

Paula Myrick Short

The University of Houston was established as the Houston Junior College in 1927. As the college grew, it prospered and officially became the four-year University of Houston in 1934. Two years later, the college attained land for a permanent campus, and in 1939 it constructed its first building, the Roy G. Cullen Building. The University became a state institution in 1963.

The University includes 15 academic colleges, one school and the multidisciplinary Honors College that teach a wide array of subjects – from math, arts and engineering to law, pharmacy and business. What started as a campus with a single building has grown into a world-class university, offering more than 270 undergraduate and graduate programs to more than 47,000 students annually.

UH is a Carnegie-designated Tier One public research university, and its public service and community activities, such as cultural offerings, clinical services, policy studies and small business initiatives, serve a diverse metropolitan population. Likewise, the resources of the Gulf Coast Region complement and enrich the University’s academic programs, providing students with professional expertise, practical experience and career opportunities.

In keeping with the University’s commitment to excellence, UH raised the benchmark of academic achievement when Phi Beta Kappa, the nation’s oldest and most prestigious academic honor society, awarded UH the approval to start a chapter in 2015. This designation welcomed UH to an elite group of the nation’s most esteemed colleges and universities.
### Commencement Traditions

Academic costumes of today have a history of nearly eight centuries. In medieval Europe, all townspeople wore long flowing robes and gowns. The materials and colors were governed by royal decree. Gradually, distinctive gowns were developed for the various professions, trades and guilds. Scholars wore robes and hoods to protect their shaved heads. Later, skullcaps were worn on the head, and the hoods became a cape that could be pulled over the head during unpleasant weather.

As additional universities were founded, distinctive forms of the gown and hood were adapted by their faculties for bachelor’s (apprentices of the arts), master’s (teachers) and doctoral (teachers who had completed postgraduate studies). When caps and hats came into fashion in the 15th century, the hoods became ornamental, draped over the shoulders and down the back.

The academic hat was first worn as a symbol of the master’s degree and existed in various forms. The mortarboard style comes to us from Oxford University. When academic costumes came to America in 1754, styles were quite varied. In Europe, they still are; however, in our country, usage has been standardized by the Intercollegiate Code of Academic Costume.

Ceremonial Symbols

THE SEAL
Throughout history, seals have been used to authenticate official documents. The University of Houston and UH System seals both bear the Official Seal of Arms of General Sam Houston, as handed down to him from his noble ancestors. It includes the escutcheon in the center of the seal — consisting of checkered chevrons denoting nobility — and three martlets, gentle lowland birds that symbolize peace and deliverance. A winged hourglass is placed above the shield. Surmounting this is the motto “In Tempore,” meaning “In Time.” The greyhounds indicate speed of giving aid. The UH seal was first adopted in 1938 as the present campus was established. Although the look of the seal has evolved over the years, the first version was etched into the floor of the Roy G. Cullen Building.

UNIVERSITY MACE
The University Mace, which is carried in academic processions, is a staff symbolizing the University’s authority and unity. The tradition of the academic mace began in the late 14th century when two ancient instruments, the royal scepter and the battle mace, were combined to form a university president’s symbol of authority.

THE ALMA MATER

All hail to thee,
Our Houston University.
Our hearts fill with gladness
When we think of thee.
We’ll always adore thee
Dear old varsity.
And to thy memory cherished,
True we’ll ever be.

Words and music by Harmony Class of 1942
Academic Honors

Academic honors are based on the requirements of the catalog year students entered the University. The final designation for honors is determined by the Provost’s Office upon final completion of all degree requirements.

Undergraduates who have graduated with the stated academic honors have achieved the following grade point averages earned in the last 54 hours completed at the University of Houston.

- **3.90 TO 4.0** Summa Cum Laude (with Highest Honors)
- **3.70 TO 3.89** Magna Cum Laude (with High Honors)
- **3.50 TO 3.69** Cum Laude (with Honors)

This roster does not include the names of degree holders who chose to withhold information under the Federal Education Rights and Privacy Act.
Summa Cum Laude – 4.0 GPA Graduates

The following graduates are recognized for achieving Summa Cum Laude with a 4.0 cumulative grade point average while also completing their degree within four years of starting their first semester in college at the University of Houston.

FALL 2021

Ryan Chang
Bachelor of Science in Biology
*College of Natural Sciences and Mathematics*

Rabia Gadrab
Bachelor of Business Administration in Supply Chain Management

*C.T. Bauer College of Business*

Istvan Wang
Bachelor of Science in Computer Science
*College of Natural Sciences and Mathematics*

Shehzad Yousaf
Bachelor of Science in Computer Science
*College of Natural Sciences and Mathematics*
Message from the Dean

Dear Nursing Graduates,

You are exemplary nursing graduates from the University of Houston! You earned the BSN or MSN degree and are pinned with UH Nursing pin. Thank you for being a student at the University of Houston and thank you for choosing to be a nurse!

Your education at the College of Nursing equipped you to embark upon your career as a nurse leader and nurse clinician. During your time at the University of Houston as a nursing student, you and your classmates collectively spent thousands of hours on Zoom, in clinical, classroom, simulation labs, or volunteering, thus adding to the strength and vibrancy of our community and our profession.

I am especially proud of each of you for persevering through the most incredible year of any of us have ever known. In 2020-2021 we walked with you through the COVID-19 pandemic, social, political and racial unrest. Our courses, clinicals and lives were impacted and disrupted. We worked harder than we have ever worked using our nursing knowledge and science to save lives, protect our community, care for our families and teach our own children. Yet, you graduated on-time and are now more ready than any of our graduates to work in an environment where nurses are incredibly needed, trusted and respected.

I look forward to seeing the impact your careers and professional contributions will have on the future of health care and nursing. You will have many experiences and opportunities in your career, and I look forward to hearing about them all as you practice nursing in the city of Houston, our state, the nation and around the world.

As lifelong learners, I invite you to stay connected with your College of Nursing. We welcome and invite you to become “life members” of the UH Nursing Alumni Association.

You will always have a special honor of being a UH Nurse. You will be reminded of this distinct honor each time you wear your nursing pin, engage with the College of Nursing or the University of Houston.

Congratulations Cougar Nurses!

Sincerely,

Kathryn M. Tart, EdD (’99), MSN, RN

**JUDGE LINA HIDALGO**

Judge Lina Hidalgo is the head of Harris County’s governing body. She is the first woman to be elected County Judge and only the second to be elected to the Commissioners Court.

Harris County is the third largest county in our nation. Its population of more than 4.5 million rivals that of the entire state of Colorado. The Harris County Judge and four County Commissioners oversee a $4.3 billion budget that helps fund key county services and institutions.

The County Judge is the presiding officer on the Commissioners Court. As the main governing body of Harris County, the Commissioners Court plays a critical role that is part administrative, part legislative, and part judicial. Its many responsibilities include adopting a budget; setting tax rates; calling for bond elections; building and maintaining county infrastructure such as roads and bridges; and overseeing county courthouses, jails, libraries, parks, and the Harris County Flood Control District.

By state law, the County Judge is also the county's director of emergency management, leading the Harris County Office of Homeland Security and Emergency Management (HCOHSEM). In addition to her formal duties, Judge Hidalgo plays an important advocacy role for the County.

Judge Hidalgo believes that our region will remain competitive only through proactive and creative leadership on issues like flood control, transportation, criminal justice reform, and education. She is committed to ensuring that Harris County government is transparent, accessible, and accountable to every resident. She wants Harris County to be a place where everyone can attain the American Dream.

Judge Hidalgo’s leadership has been recognized through numerous awards and national honors. She received the prestigious John F. Kennedy New Frontier Award for her swift response to the COVID-19 pandemic, and was recognized with the Jack Brooks Foundation Leadership Award for her work to protect voting rights and access to the ballot box. Judge Hidalgo has also been named to the TIME Magazine 100 Next list as well as Forbes 30 Under 30.

Florence Nightingale Pledge

“I solemnly pledge myself before God and in the presence of this assembly to faithfully practice my profession of nursing. I will do all in my power to make and maintain the highest standards and practices of my profession.

I will hold in confidence all personal matters committed to my keeping in the practice of my calling. I will assist other healthcare providers and will devote myself to the welfare of those committed to my care.

I will endeavor to fulfill my rights and privileges as a good citizen and take my share of responsibility in promoting the health and welfare of the community.

I will constantly endeavor to increase my knowledge and skills in nursing and to use them wisely. I will zealously seek to nurse those who are ill wherever they may be and whenever they are in need.

I will be active in assisting others in safeguarding and promoting the health and happiness of humankind.”
