

**UNIVERSITY OF HOUSTON  
STUDENT CODE OF CONDUCT  
2019-2020**

**Introduction**

The University of Houston, as an educational institution, has a special set of interests and purposes essential to its effective functioning. These include; (a) the opportunity for students to attain their educational objectives, (b) the creation and maintenance of an intellectual and educational atmosphere throughout the University, and (c) the protection of the health, safety, welfare, property, and human rights of all members of the University, and the property of the university itself. In the area of student conduct, the University has a clear responsibility to protect and promote the pursuit of its goals. The Student Code of Conduct emphasizes the University's commitment to promote the freedom, intellectual development, and personal responsibility of its students.

The Student Code of Conduct sets forth those acts that constitute unacceptable conduct for students of the University. All alleged violations of the Student Code of Conduct may result in referral to the Dean of Students Office for disciplinary action.

The University of Houston supports the concept of educational discipline - educating the student through appropriate sanctioning when circumstances permit; but should the student demonstrate an unwillingness to obey the rules governing conduct, the student will be treated in the same manner as one who has failed academically. Students are expected to adhere to, and will be held accountable for adhering to, all federal, state, and local laws in addition to all University policies and regulations not mentioned herein.

A student admitted to the University of Houston accepts the responsibility to conform to all University of Houston rules and regulations. Proven failure to meet this obligation will justify appropriate disciplinary action including, but not limited to, expulsion, suspension, disciplinary probation, reprimand or warning. Although the University will make every reasonable effort to make the rules and regulations available, students are responsible for becoming familiar with them.

The University of Houston student conduct process is the responsibility of the Dean of Students Office. The Associate Dean of Students, under the direction of the Dean of Students, will supervise the implementation of the student conduct process and procedures.

## **Policy**

### **1. Application and Jurisdiction**

**1.1** Students are subject to applicable federal, State, and local laws; University of Houston System rules, regulations, and policies, including those set forth in UH System Administrative Memoranda.

**1.2** Students may be disciplined by the University for violating any of the conduct standards on University grounds or off University grounds when the incident occurs in connection with a University sponsored or affiliated activity or program, when the incident has a substantial connection to the interests of the University, when the incident poses a threat of serious harm to any member of the University community, or when the behavior is prohibited by University policy regardless of where it occurs, even if the student is or may be penalized by civil or criminal authorities for the same act.

**1.3** University disciplinary action may be instituted against a student charged with conduct that potentially violates both criminal law and University policy without regard to pending civil litigation or criminal arrest and prosecution. At the discretion of the Dean of Students, University disciplinary proceedings may be carried out prior to, simultaneously with, or following criminal proceedings. Determinations made and/or sanctions imposed as a result of University disciplinary proceedings will not be subject to change because criminal charges arising out of the same facts that resulted in the violation of University rules were dismissed, reduced, or resolved in favor of or against a criminal law defendant.

**1.4** Students are subject to University disciplinary action for prohibited conduct that occurs while the student is participating in off-campus activities sponsored by or affiliated with the University including, but not limited to, field trips, retreats, and study abroad programs.

**1.5** Students are subject to University disciplinary action if the student withdraws from classes while a conduct matter is pending.

**1.6** Any conduct that is a potential violation of the University's Sexual Misconduct Policy or Discrimination and Harassment Policy will be exclusively processed, investigated and addressed pursuant to those policies and not this Student Code of Conduct, except as provided herein. If the Office of Equal Opportunity Services (EOS) has reasonable cause to believe that a student's presence on University premises or at a University-related or registered student organization activity poses a significant risk of substantial harm to the safety or security of any member of the University community or to property, EOS may request the issuance of an interim suspension pursuant to the Interim Suspension section of this Student Code of Conduct. A student may appeal the issuance of an interim suspension in accordance with Section 12. If a student is found to be in violation of the University's Sexual Misconduct Policy or Discrimination and Harassment Policy, and the student wishes to appeal any sanction(s) imposed by the Dean of Student's Office, the student's appeal shall be brought pursuant to the appeal section of this Student Code of Conduct. Similarly, if the complainant wishes to appeal any sanction(s) imposed by the Dean of Student's Office against the student, the complainant's appeal shall be brought pursuant to the appeal section of this Student Code of Conduct.

**10.8** The Chair will exercise control over the proceedings. Any person disrupting a hearing or who fails to adhere to the rulings of the Chair may be removed or excluded from the proceedings.

**10.9** Any party may challenge a Board member on the grounds of personal bias. Board members may be disqualified upon a majority vote of the remaining members of the Board. Disqualification votes must be conducted by secret ballot.

**10.10** The burden of proof shall be on the complainant or University, whichever is applicable, to prove whether it is more likely than not that the student did violate a Code provision and/or University policy.

**10.11** The Chair shall determine what evidence is admissible. Formal rules of evidence shall not apply.

**10.12** The respondent, the complainant, and/or the Board members may examine the written evidence offered and may question all witnesses.

**10.13** Respondents will not be forced to testify against themselves and their silence shall not be used to their detriment.

**10.14** Individuals referred to in any written statements or testimony of respondent, complainant, and/or witnesses may be called as witnesses by the University Hearing Board. The Chair shall determine the length of any such witness testimony and when it shall be heard during the hearing.

**10.15** At the conclusion of the presentations, the Board shall deliberate the violation stage of the proceeding in closed session. After deliberation and a vote, the decision of the Board will be announced to the participants.

**10.16** The Board may hear evidence concerning sanctioning if the respondent is found to have violated the Prohibited Conduct Section of the Student Code of Conduct. The Board may consider the respondent's prior disciplinary record during the sanctioning phase of the proceedings in order to recommend the appropriate sanction(s).

**10.17** Decisions by the Board shall be by majority vote. In the event of a tie, the Chair will vote to break the tie.

**10.18** Hearings will be recorded and, upon written request, the respondent will be afforded access to the recording of the hearing. The only recording devices allowed in the hearing are those provided by the Hearing Officer.

**10.19** The Board's recommendation of violation and sanction(s) will be forwarded to the Hearing Officer for further action. The Hearing Officer will notify the respondent of the decision in writing within seven business days of the hearing. The Hearing Officer will also make a copy of the decision available to the respondent in the Dean of Students Office.

## **11. Sanctions**

Factors to be taken into consideration when issuing sanctions include, but are not limited to: the respondent's motivation for displaying the behavior; the respondent's disciplinary history; the extent to which the behavior jeopardizes the safety and security of the University of Houston community; and, the likelihood of the behavior occurring again. Upon written request, the Hearing Officer will disclose the results of campus disciplinary proceedings to the victim of a non-forcible sex or a violence related policy violation.

Upon a finding of a violation of the Prohibited Conduct Section of the Student Code of Conduct, one or more of the following sanctions may be imposed:

**11.1 Expulsion** permanently separates the student from the University and prohibits the student from ever attending the University, enrolling in any University courses and/or from being present on University grounds without the permission of the Dean of Students Office. Expulsion will be noted on the student's permanent record. A student who has been expelled from any University of Houston System component shall be ineligible to enroll at any other system component during the period of expulsion.

**11.2 Suspension** prohibits the student from attending the University, enrolling in any University courses and from being present on University grounds without the permission of the Dean of Students Office for a specified period of time. A student suspended for prohibited conduct is not guaranteed readmission to the University, but shall petition the Dean of Students to review the student's eligibility for readmission. Suspension

will be noted on the student's permanent record. A student who has been suspended from any University of Houston System component shall be ineligible to enroll at any other system component during the period of suspension.

**11.3 Deferred Suspension** allows a sanction of suspension to be deferred to a specific date in the future. If a student is found in violation of any University rule while under the sanction of deferred suspension, the suspension sanction may be implemented immediately and additional conduct sanctions appropriate to the new violation(s) may be imposed. Students under the sanction of deferred suspension may be subject to additional restrictions identified by the Dean of Students Office. Failure to comply with the additional restrictions established by the Dean of Students Office will be considered additional conduct violations.

**11.4 Disciplinary Probation** is a sanction in which students are considered "not in good standing" with the University. Any further misconduct while on probation may result in additional disciplinary action up to and including expulsion from the University. Students under the sanction of probation may be subject to additional restrictions identified by the Dean of Students Office. A sanction of probation is imposed for a definite period of time. Probation will be noted on the student's permanent record during the period of probation.

**11.5 Revocation of Admission and/or Degree** may be imposed for fraud, misrepresentation, or other violations of University rules in obtaining admission or a degree, or for other serious violations committed by an applicant or by a student prior to the awarding of the degree.

**11.6 Educational Programs or Assignments** are sanctions designed to develop and/or expand a student's understanding of a University rule or policy and/or support the student's learning in relation to the rule or policy that was violated.

**11.7 Reprimand** is an official written notification retained in a student's disciplinary file designed to inform the student that their behavior has been unacceptable.

**11.8 Restitution** or compensation for loss, theft, deception, damage or injury which may take the form of appropriate service and/or monetary or material replacement.

**11.9 Warning** is a sanction which advises a student that they have engaged in behavior that is unbecoming of a member of the University community. A warning may include a requirement to meet with a designated University official. This sanction remains in effect for a specified period of time, after which, it may be removed from the student's conduct record at the student's request. Any further misconduct during a sanction of warning may result in additional disciplinary action.

**11.10 Other Sanctions** may include, but are not limited to, disenrollment, referral for mandatory assessment by a qualified licensed professional, no contact orders, restrictions from specific areas in University buildings and/or on University grounds, restrictions from participating in intercollegiate athletics, extracurricular activities, and residential life activities; monetary fines; community service; disciplinary room change for residence students, and/or ban or removal from University housing facilities. Students may also be required to meet periodically with a person designated by the Hearing Officer.

## **12. Interim Suspension**

**12.1** The Dean of Students or designee may immediately suspend a student on an interim basis prior to a hearing when the Dean of Students or designee has reasonable cause to believe that the student's presence on University premises or at a University-related or registered student organization activity poses a significant risk of substantial harm to the safety or security of any member of the University community or to property, the student may be immediately suspended from all or any portion of University premises, University-related activities or registered student organization activities. This temporary suspension will be confirmed in writing and shall remain in effect until the conclusion of a Disciplinary Conference or Hearing Board hearing, without undue delay, in accordance with the Student Disciplinary Rules.

**12.2** The Hearing Officer will notify the student(s) of the interim suspension by issuing notice of interim suspension. This notice will include a statement of the regulation(s) that the student allegedly violated, a specific statement of the facts constituting the alleged violation, and will direct the student(s) to contact the Dean of Students Office to schedule a Procedural Interview with the Hearing Officer within five business days of the notice. The notice will also include a copy of the Student Code of Conduct and/or the web address of the code. The notice of interim suspension may be issued initially by the Chief of Police or designee when there is reasonable cause to believe that the student(s) poses an immediate threat to the University community. In such cases, the Hearing Officer will subsequently issue notice of interim suspension pursuant to this section.

**12.3** An extension to the requirement to schedule a meeting with the Hearing Officer within a five business day period may be granted by the Hearing Officer for good cause.

**12.4** Students who fail to schedule the Procedural Interview within the five business day period outlined in Item 6.1 will be considered to have elected to proceed in the Student Disciplinary Procedures with a Disciplinary Conference.

**12.5** If the sanction for a confirmed violation of the Code of Conduct is to suspend or expel the student, the sanction takes effect from the date of the interim suspension.

**12.6** A student may appeal an interim suspension by submitting a written statement of appeal to the Dean of Students. The Dean of Students or designee will consider an appeal of an interim suspension on an expedited basis. The interim suspension will remain in effect for the pendency of the appeal.

## **13. Interim No Contact Orders**

The Dean of Students or designee may immediately issue a no contact order on an interim basis prior to a hearing if it is believed necessary to protect a person's safety and/or preserve a safe environment. A no contact order prohibits a student's or a student organization's contact with a specific individual or individuals.

## **14. Withholding of Transcripts, Grades, Diploma, or Degree**

The Dean of Students or designee may withhold an official transcript, grade, diploma, or

degree of a student alleged to have committed a violation of a University of Houston rule and/or the Prohibited Conduct Section of the Student Code of Conduct. The Dean of Students or designee may take such action pending a Hearing Board hearing or Disciplinary Conference, and/or the exhaustion of the student's appellate rights.

### **15. Counseling Referrals**

The Hearing Officer may refer any student who is the subject of prohibited conduct allegations to Counseling and Psychological Services (CAPS) or the University Health Center. CAPS or the University Health Center may, with written permission of the student, discuss the results of the referral with the Hearing Officer. The student may refuse to attend a session with CAPS or the University Health Center without penalty at which time the disciplinary process will continue as if no referral were made.

### **16. Reporting at the Request of the Dean of Students**

A request to meet with or respond to the Dean of Students or designee shall be heeded by all students. The request of the Dean of Students or designee shall have priority over all other duties of the student. The student will respond at the time and place set by the Dean of Students or designee unless arrangements are made because of extraordinary circumstances. Failure to report or respond as directed by the Dean of Students or designee on any matter shall constitute a separate violation of this Code and may result in disciplinary action and/or a hold being placed on the student's enrollment.

### **17. University Hearing Board Appearances**

The Dean of Students or designee shall have the authority to require a student to appear before the University Hearing Board at a designated time and place when the student's presence is necessary to resolve a question which is before the Board. The Dean of Students or designee shall have the authority to require the student to produce such items as are relevant to the adjudication.

### **18. Official Withdrawal from the University of Houston**

The Dean of Students Office may place a disciplinary hold on the records and future enrollment of any student who withdraws from the University prior to the resolution of pending disciplinary action. The Dean of Students Office may also place a notation on the student's official transcript indicating that, "Disciplinary proceedings are pending at the University of Houston." Students remain subject to the jurisdiction of the Student Disciplinary Procedures even if they withdraw from the University while disciplinary proceedings are pending.

## **19. Appeals**

**19.1** An appeal is not an opportunity to re-hear the original conduct case and will not be granted based on a respondent's disagreement with the outcome of the original conduct case.

**19.2** An appeal may only be based upon the following grounds:

- a. New information, not available at the time of the original hearing, was discovered and such new information could affect the decision rendered in the original conduct case.
- b. The weight of the evidence does not support or is contrary to the finding of violation.
- c. Procedural error that resulted in material harm or prejudice to the student (i.e., by preventing a fair, impartial, or proper hearing). Deviations from the designated procedures will not be a basis for sustaining an appeal unless material harm or prejudice results.
- d. The sanction imposed as the result of the original hearing was excessively severe in relation to the violation that the student was found to have committed. Appeals submitted on a claim that the sanction was excessively severe do not have bearing on the finding of "in violation" and relate only to the sanctions imposed.

**19.3** The Dean of Students will serve as the Appellate Officer for all conduct cases in which a sanction of expulsion, suspension, eviction, and/or revocation of admission or degree was issued as a result of the original conduct hearing.

**19.4** The Associate Dean of Students or designee will serve as the Appellate Officer for all conduct cases occurring outside of the areas under the control of Student Housing and Residential Life in which a sanction other than expulsion, suspension, eviction, and/or revocation of admission or degree was issued as a result of the original conduct hearing.

**19.5** The Associate Director for Residential Life or designee will serve as the Appellate Officer for all conduct cases occurring in areas under the control of Student Housing and Residential Life in which a sanction other than expulsion, suspension, eviction, and/or revocation of admission or degree was issued as a result of the original conduct hearing.

**19.6** The Appellate Officer will review requests for appeal to determine if acceptable grounds for appeal have been demonstrated.

**19.7** Respondents may appeal the decision of the Hearing Officer by filing a written appeal, including a detailed explanation of the reason for the appeal consistent with the grounds for appeal outlined in Section 19.2, with the appropriate Appellate Officer within ten business days after receiving written notification of the decision.

**19.8** The Appellate Officer will render a decision and notify the respondent in writing within ten business days of receipt of the appeal. The appellate officer may review the case and amend the finding(s) and/or sanction(s). The appellate officer may review the case and remand the case for further proceedings as directed. The appellate officer may review the case and uphold the original decision and sanction(s).

**19.9** The decision of the Appellate Officer shall be final.

## **20. Disciplinary Records**

**20.1** The University shall maintain a permanent written disciplinary record for every student assessed a sanction of suspension, expulsion, denial or revocation of a degree, and/or withdrawal of diploma.

**20.2** A disciplinary record shall reflect the nature of the charge, the disposition of the charge, the sanction assessed, and any other pertinent information. Disciplinary records shall be maintained by the Dean of Students Office. Disciplinary records will be treated as confidential and shall not be accessible to or used by anyone other than the Dean of Students or University officials with legitimate educational interests; except upon written authorization of the student or in accordance with applicable state or federal laws or court order or subpoena.

**20.3** Disciplinary records of students who were not assessed a sanction of suspension, expulsion, denial or revocation of a degree, and/or withdrawal of a diploma will be maintained by the Dean of Students Office for six years after the final disposition of the case in accordance with the University's Records Retention Schedule.

**20.4** Disciplinary warning records are maintained as active conduct records by the Dean of Students Office for the specified period of warning. Students issued a warning sanction may request that the record be expunged once the period of warning has expired or when they have graduated from the University.

## **21. Student Groups and Registered Student Organizations**

**21.1** Student groups and registered student organizations are subject to the same behavioral expectations as individual students and as such, may be charged with violations of the Prohibited Conduct Section of the Student Code of Conduct. The same Student Code of Conduct procedures afforded individual students are applicable to student groups and registered student organizations.

**21.2** Student groups and registered student organizations, their members, as well as other students may be held collectively and/or individually responsible for violations that occur on University grounds, on premises used or controlled by the group or organization, and/or at University sponsored activities on or off campus. The disciplinary jurisdiction set forth in Item 1.1 applies to individual students, student groups and registered student organizations.

**21.3** Student groups and registered student organizations and their officers may be held collectively and/or individually responsible for violations of the Code when the organization's leaders, officers, or spokespersons have given tacit or overt consent or encouragement for the prohibited conduct.

**21.4** Student group and registered student organization leaders, officers, and/or spokespersons may be directed by the Dean of Students or designee to take action to prevent or end violations of the Code by members of the organization or by any persons associated with the organization. Failure to make reasonable efforts to comply with the directives of the Dean of Students or designee shall be considered a violation of the Code by the leaders, officers, and spokespersons of the organization as well as by the organization.

**21.5** Sanctions for student group and/or registered student organization misconduct may include revocation or denial of registration as well as other appropriate sanctions cited in Sections 11 and 12 of the Code.
