NEW FTIC

4,526
NEW TRANSFERS
Thank you for your timely intervention into my case and thank you for working with me to see that it is resolved. I have received the notification of the cougar emergency fund in my student account and would pay Cullen Oaks when it is disbursed to me.

Thank you for your investment in me and for taking up my case. This has eased the mental and emotional stress that I would have experienced and significantly impacted my academics positively. I promise to make you and the entire UH community proud.

DAMILOLA ABE, UH STUDENT
