The Annual LBB Performance Report provides the state and federal governments with a certification rate for traditional undergraduate completers. For example, The Year 2017 rate is based on the number of 2015-2016 undergraduates who completed UH's traditional teacher preparation program from September 1, 2015, through August 31, 2016, and gained a Standard Texas Educator Certificate by August 31, 2017. The measure is used to provide an indicator of the effectiveness of an undergraduate teacher-education program's production of certified educators. No Post-bacc is included in LBB report.
