Notice of Changes to PEEPS Pantry  
Effective: Spring 2020 term

PEEPS Pantry will be converting to a POINT SYSTEM beginning with the spring 2020 term. Instead of students taking one bag of food, twice per week, students will be allotted a total of 15 points for the week.

- There will be a max limit on certain items to prevent the pantry from running low on popular items.
- A list of popular items the pantry stocks, along with the points assigned to those items will be posted in the pantry.
- Point Items will be color coded for ease at checkout and items will be arranged on the pantry shelves to correspond to the colors/points.

Important Information

- All students will be required to present a valid UH ID card before accessing the pantry. Students must be currently enrolled to access the pantry.
- Your ID card will be scanned to ensure you are currently enrolled.
- A hand shopping basket will be provided for students to place items.
- Students will return to the checkout station for the volunteer to calculate the points / check for max limits.
- Students who access the pantry may be asked to answer a survey from time to time. The only person with access to your information is Ms. Lee, the director of the PEEPS Program. She is the only one who will send out the surveys. We need feedback from students and your input is very important, so please answer the survey if you receive one.

General Info to Remember

- The pantry is for GROCERIES, not “lunch”. Students who use the pantry as their lunch (or breakfast) source will be asked not to return. That is not to say a student cannot get “one” item from the pantry. However, if this becomes consistent, the student will be asked to not return.
- The pantry is donation based and student (volunteer) run.
- You will always be treated with respect when you visit the pantry and you are expected to treat the volunteers with the same respect.
- Access to the pantry is only during open hours.
- Hours will change each semester due to student (volunteer) schedules.
- Because the volunteers who work the pantry ARE students, there may be times when the pantry is closed due to a volunteer being sick, etc. A sign will be placed on the door and, while we apologize in advance for the inconvenience, the pantry will remain closed for that duration.
- There may be times when the pantry runs low on supplies. Please remember the pantry is run solely on donations so this is not something we are able to control.

PEEPS Pantry is a resource for all UH students. We want to continue to offer services to students, however, as we grow, change is sometimes necessary. We are thrilled you are utilizing your resources and want to continue to serve your needs. Thank you for your cooperation as we make changes and thank you for growing with us!
