I. INTRODUCTION

Purpose of this Handbook

This Handbook is intended for students in the Department of Curriculum and Instruction (CUIN) in the College of Education (COE) at the University of Houston (UH). It provides an overview of program requirements, policy, rules, and regulations. The information included is designed to facilitate students' progress toward the attainment of their degree objectives.

The purpose of the handbook is to supplement and clarify-not supersede-policies and procedures provided at the College of Education or University of Houston level.

The Goals of the Program

The Professional Reading Specialist Certification program provides a strong foundation of knowledge, skills, real world experiences, and innovative research intended to prepare students to serve as effective Reading Specialists. Graduates fill an important need in the community, serving in diverse positions in both public and private educational institutions. The degree fulfills requirements for the Texas Reading Specialist Certification.

Successful progress through the program requires academic and professional development. Participation in the program also requires students to balance their personal commitments (e.g., current employment, family, personal health, and finances) with the professional development commitments associated with the program.

Please view the Graduate Catalog available at <http://catalog.uh.edu/index.php> to view transfer credit policy.

IV. ACADEMIC ADVISING, ANNUAL REVIEW, GRIEVANCE, AND DISMISSAL POLICIES

Advising and Valid Contact Information

Upon admission to the program, all students are assigned a Graduate Advisor located within the Office of Graduate Studies (OGS). The student's relationship with his or her Graduate Advisor and Program Director is one of the primary means by which the program monitors and facilitates student progress throughout the program and professional and personal competency development. Students are expected to maintain regular contact with their Graduate Advisor and Program Lead throughout their matriculation, keep their Graduate Advisors apprised of any problems or concerns that may affect their academic work, complete degree plans in close consultation with their Graduate Advisor and Program Director, and seek the consultation of the Graduate Advisor, Program Director, and Program Lead as appropriate.

Students must keep their MYUH accounts updated with the UH email address and/or destination email addresses, mailing addresses and telephone number that will enable the Graduate Advisor and Program Lead to reliably contact the student. Failure to maintain valid contact information is a serious issue since time sensitive and/or important information will be delivered to the student. Failure to maintain valid contact information is a serious deficiency that may lead to the development of a Performance Improvement Plan (PIP) at any time the faculty determine that the contact information is not valid.

Faculty Advisor Communication

Students having difficulty communicating with their Graduate Advisor should alert the Program Director. If the Program Director is unable to resolve the communication issues, the student should bring the matter to the attention to the CUIN Department Chair.

Dismissal Policies and Procedures

The dismissal of a student from the program is a significant event for the student, the program, and the program faculty. Student dismissals represent the conclusion of the faculty that the student has not demonstrated appropriate, consistent matriculation; has engaged in academic dishonesty; has not met multiple program milestones; has been charged with or convicted of a criminal offense; has failed to demonstrate an adequate level of professional or personal competency; or for other serious reasons (e.g., has been disruptive to the education and training process). Dismissal action is typically the outcome of careful inquiry and collection of data from multiple sources as well as communication with the student regarding her or his unsatisfactory performance in basic or, where appropriate, remedial work, as outlined in a Performance Improvement Plan. However, immediate dismissal may occur under dangerous (e.g., threat of bodily harm, slander, libel), unusual, or other serious circumstances.

Grievance Policy and Procedures

Students may grieve any faculty decision or action that affects their progress through the program. If the student chooses to grieve, he or she must follow the formal grievance procedures as specified in the College of Education Student Grievance Policy and in the UH Graduate Studies Graduate Studies Catalog.

Complaint Survey

The Reading Specialist Candidates have the ability to fill out a Complaint Survey ([hyperlink](#)).

Withdrawal Form

The University of Houston requires that when a student decides to leave the program they have been formally admitted to, they must fill out and sign the formal Withdrawal Form. This form can be found in Appendix D: Administrative Forms, Page 29.

V. PETITIONS

The student is the responsible party for enrolling and dropping coursework using the online system and/or completing the appropriate forms and petitions for other administrative requests.

UH graduate forms and petitions are available at <http://www.uh.edu/graduate-school/forms/>.

These forms typically should be completed with the assistance of your Graduate Advisor:

APPENDIX D: ADMINISTRATIVE FORMS
THE EXIT POLICY

Exit Policy

19 TAC §228.20(h) requires all Educator Preparation Programs to have an exit policy for the dismissal of candidates published, reviewed, and signed by candidates when they are admitted to the program.

Dismissal from the Educator Preparation Program

A candidate may be removed from the Educator Preparation Program in the event he/she demonstrates behavior not consistent with the professional and ethical expectations of an educator in Texas. Dismissal from the Program may be based on grounds including but not limited to:

1. Failure to meet coursework requirements.
2. Failure to abide by policies and/or procedures established by the University of Houston Educator Preparation Program and/or program requirements established by the State Board for Educator Certification as published in the Texas Administrative Code.
3. Failure to contact your field supervisor for your formal observations.
4. Any action deemed a violation of the Code of Ethics and Standard Practices for Texas Educators.
5. Any action deemed a violation of the University of Houston Student Code of Conduct.
6. Any action deemed a violation of school district and/or campus policy during field-based experiences or clinical teaching or internship.

Dismissal from the program is determined by a committee comprised of the program faculty and program lead. This may occur at any time. If a candidate is dismissed from the College of Education, he or she will also be automatically dismissed from the Educator Preparation Program. All decisions of dismissal can be appealed through college policies.

Withdrawal from the Educator Preparation Program

A candidate who decides to voluntarily withdraw from the Educator Preparation Program needs to send a written notice of that intent from a University of Houston email account including their PeopleSoft ID. The candidate also needs to submit a signed Withdrawal Form. Withdrawal from the College of Education translates to withdrawal from the Educator Preparation Program.

Re-entry into the program will be considered on an individual basis. Program requirements change over time because of revisions in licensing rules or educator standards; therefore, re-admittance could mean that there are new criteria that the re-admitted candidate would have to meet.

I have read, understand, and agree to meet the responsibilities outlined within this policy.
