Send Personal Message

Personal messages use your institution's email system and are not maintained by Curriculog. Please maintain copies of personal emails in your email client for later reference.

To: Click the email icon next to the user you want to add to this message.

From: no-reply@curriculog.com

Subject:

Message:

I want to discuss a proposal with you: [Creative Arts - WCL - 3366](#).

Copy me on this email

Send Message

5. Find the person(s) that you want to notify about the proposal.

6. Select the "Send Message" icon to add their name to the email "To:" list.

7. Enter details for the email (Subject, Message). By default a link to the proposal will be included with the message.

8. Click "Send Message" button.

The message will go to their UH account (not in Curriculog)
