#### **Leading into FY2025 Budget Cycle**

- Undergraduate tuition and academic fees frozen
- No new general revenue from the state
- Any new revenue must come from:
  - SCH growth
  - Graduate tuition increase
- Currently known FY25 funding need: \$15 million
  - Second half of faculty and staff market adjustments
  - Merit raises (if approved)

#### **Strategic Enrollment Planning: Sources of Growth**

- Retain continuing students
- Recover stop-outs
- Increase hours taken per semester
- Increase new students

#### **Strategic Enrollment Planning: Potential Growth Strategies**

# Recruiting and Admission

- Expand outreach and recruiting
- Increase yield of admitted students

#### **Degree Programs**

- New program proposals
- Flexible delivery and credits

#### **Partnerships**

- High schools and community colleges
- Local businesses

# **Student Progress** and Performance

- Reduce high DWIF rates
- Strategic scheduling

# Student Engagement

- Residential learning communities
- Connections to college and campus

### Impact of Growth on Revenue

- 1% increase in SCH growth approximates \$3.5M
  - Whether from new enrollment or retention
- Positive impact on state formula funding
  - Operating dollars
  - Maintenance dollars
