Dear Mrs. Morian:

A handwritten signature in cursive that reads "Beth".

At the March 29, 1995, meeting of the University of Houston Faculty Senate, you said, "Hold on to your hats, changes will be coming quickly after that [the release of the Panel of Auditors preliminary report] and we are really going to move." And of course, you were right! The Faculty Senate Executive Committee is prepared to work with you and the rest of the Board of Regents to make the most of the resulting options and opportunities. The work will be hard, but we must find a way to forge a new union--preferrably without a civil war--and find a stronger, better way to move ahead together.

The Executive Committee of the Faculty Senate met in special session today to discuss the options and opportunities of the present situation. Enclosed are three resolutions that we have adopted and which we ask you to consider seriously. Please call me if you have any questions or would like to discuss these or other issues.

Sincerely,

A handwritten signature in cursive that reads "Jerry Paskusz".

Jerry Paskusz  
President  
University of Houston Faculty Senate

Resolution**

The Faculty Senate Executive Committee urges the appointment of an interim president for the University of Houston who has a proven record in academic administration. Possible internal candidates that the Board of Regents might wish to consider are:

**Tom Mayor**, Professor and Chair of the Economics Department and  
Former Dean of the College of Social Sciences

**James Kirby Martin**, Professor of History,  
Former Chair of the University of Houston History Department and  
Former Vice President of Academic Affairs at Rutgers University

No current University of Houston administrators have been included in our list, so as not to further destabilize the university.
