

University of Houston Faculty Senate  
Resolution to Support Option One of the "Report on the  
Structure of the University of Houston System"

The Faculty Senate reaffirms its commitment to the Faculty Senate Resolution of March 29, 1995, (below) as reflected in Option One of the auditors' preliminary report on the structure of the University of Houston System. That structure should be phased in over the next three to five years, and should include sufficient safeguards to protect the mission, board access and finances of each of the four campuses.
