Faculty Development Leave
Committee

November 28, 1977

To facilitate and assure a more equitable representation of all academic units on the Faculty Development Leave Committee, the Committee on Committees proposed the following resolution as an amendment to the Faculty and Staff Manual:

"That the first three sentences of the last paragraph of the Faculty and Staff Manual, page 28 be deleted and the following be substituted:

1. The Committee on Committees will nominate a Committee on Faculty Development Leaves. The nominees will be presented to the Faculty Senate for election, at which time additional nominations may be made from the floor."

The resolution was passed unanimously at the Faculty Senate meeting November 16, 1977.
