## **University of Houston Faculty Senate Resolution**

**FSR/92: Fall - 1**  
**Passed: November 18, 1992**

### **RESOLUTION ON UNIVERSITY OF HOUSTON SYSTEM RESHAPING**

**Many faculty believe that the University of Houston System has largely exempted itself from the financial discipline imposed on the individual campuses. In order to assure system-wide equity in the allocation of resources, we urge the Chancellor to reduce the size and scope of the University of Houston System's operations.**
