RE: FACULTY SENATE RESOLUTION ON A MULTICULTURAL COURSE
IN CORE CURRICULUM

At its May 13, 1992 meeting the Faculty Senate passed a resolution favoring a multicultural course in the core curriculum (enclosed). There was a good deal of discussion on this subject, both for and against. I am also enclosing a copy of that meeting's minutes which reflects the general tenor of our debate. In the end, the majority vote endorsed the resolution, so I must ask you and the Undergraduate Council to consider the adoption of a 3 credit course requirement encompassing multiculturalism.
