A SENATE RESOLUTION OPPOSING THE DETERIORATION OF STUDENT SERVICES

WHEREAS: The intent of Student Service Fees should be to provide services so that all students will equally benefit from their educational experience; and

WHEREAS: Student Services are an investment in the student population. Their quality has a direct relationship to retention, recruitment, and graduation rates; and

WHEREAS: The impact of state and university mandated increases, in addition to the proposed shift of Career Planning & Placement and Counseling & Testing into units funded entirely by Student Service Fees and the proposal to increase the Department of Intercollegiate Athletics by \$300,000 will place too great of a demand on the Student Service Fee budget; and

WHEREAS: It is unreasonable for any one unit to receive unlimited access to student service fee dollars and to allow its survival to depend on the sacrifice of valuable student services; therefore, be it

RESOLVED: By the Senate of the Students' Association of the University of Houston that the Budget Advisory Committee and the Faculty Senate should review the long term impact of these proposals and provide comments and recommendations; and be it

RESOLVED: By the Senate of the Students' Association of the University of Houston that if the final proposals are not satisfactory, then the Senate will take further action.

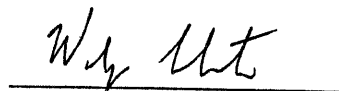

ADOPTED BY THE SENATE OF THE STUDENTS' ASSOCIATION OF THE
UNIVERSITY OF HOUSTON ON APRIL 11, 1988
