

**University of Houston Resolution
Commending
Ed Apodaca**

The Faculty Senate of the University of Houston commends Ed Apodaca for his dedication and tireless effort in revising and enhancing the enrollment process at the University of Houston. Based upon the information that has been provided, it is apparent that significant strides have been made in the area since Mr. Apodaca took over, and we are encouraged by his ideas and goals for the future. We encourage the administration of the University and the System to continue to support Mr. Apodaca in his efforts.
