

**UNIVERSITY OF HOUSTON FACULTY SENATE
RESOLUTION OF CONCERN
ABOUT UNIVERSITY OF HOUSTON SYSTEM ADMINISTRATION
PROJECT MANAGEMENT AND FACILITY PLANNING**

The University of Houston Faculty Senate has grave concerns about the effectiveness of the UH System Administration's project management and the absence of well coordinated facility planning. Given that the UH system is embarking on a massive and costly program in campus renovation and repair, it is essential that construction projects and planning be effectively administered.

FSR/1996: Fall #3

Introduced by: Faculty Senate Executive Committee

Committee Date: August 19, 1996

Outcome: Passed by unanimous vote on sense of the issue

Senate Date: August 28, 1996
